19	It is hereby stipulated by and between counsel for the United States and counsel for the

Court has added and excised certain conditions of the defendant's release. On July 27, 2021, the Court 2 ordered that the defendant participate in mental health treatment as directed by Pretrial Services. Dkt. 3 14. On May 19, 2022, the Court ordered that the defendant not use alcohol. Dkt. 78. On other occasions, the Court imposed a drug testing and substance abuse counseling requirement. 4 5 On February 24, 2023, the Court granted a stipulation modifying the conditions of the defendant's release to excise the location monitoring requirement. Dkt. 174. Part of that stipulation 6 7 indicated that "the conditions delineated in the July 2, 2021 Conditions of Release and Appearance be the only governing conditions on his release from this point forward." Id. Unfortunately, that language 8 had the unintended impact of excising the above listed three requirements. Pretrial Services has reached 9 out to the parties in an effort to fix this oversight. 10 11 Through this stipulation, the parties agree that these three requirements be re-added to the defendant's terms of release moving forward. 12 13 The undersigned Assistant United States Attorney certifies that he has obtained approval from 14 counsel for the defendant to file this stipulation and proposed order. 15 16 IT IS SO STIPULATED. 17 18 DATED: June 30, 2023 CHARLES F.
